Smart Pro Microfibre women's scrub top

Fabric

Microfibra.
50% polyester
43% recycled polyester
7% elastane
160 g/m²

With ultra-fine synthetic fibers, microfiber fabric provides a perfect balance between comfort and durability.

Softness: Very pleasant to the touch, similar to silk.

Lightness: A lightweight fabric that adds no bulk or weight.

High breathability: Allows air to pass through, helping keep the skin cool.

Quick drying: Absorbs less water and dries much faster than other fabrics.

Durability: Despite its softness, it is long-lasting and resistant to wear.

Smart Pro Microfiber

360º stretch
Fabric with multidirectional stretch

Easy care
Machine washable at 60 °C

Antibacterial and anti-odor
Antibacterial treatment that prevents bad odors

Repels water
Repels water and other liquids, preventing absorption

Wrinkle-resistant
Wrinkle-resistant properties that reduce care and ironing time

Quick dry
Quick dry
